Beneficiaries for NREP

3074. SHRI KAILASH PATI MISHRA:
SHRI ATAL BIHARI VAJPAYEE:

Will the Minister of PLANNING be pleased to state:

(a) whether Government's attention has been drawn to a report in the Times of India, dated the 26th January 1989 stating that as no provision is made for the maintenance of the works of the NREP beneficiaries, these are often washed away or damaged by rains/floods and that the labour for these programmes is secured through middlemen resulting in depriving jobs to the local unemployed and furthermore contractors are frequently asked to execute these projects which defeats the very purpose of the NREP; if so, what are the State-wise findings of the evaluation studies of the programmes in this regard; and

(b) the conclusions derived and the effective remedial measures devised?

THE MINISTER OF PLANNING AND THE MINISTER OF PROGRAMME IMPLEMENTATION (SHRI MADHAVSINH SOLANKI): (a) The Government has seen the report captioned Anti poverty Plans fall to show results' that appeared in the Times of India of 26th January, 1989. Apart from the studies conducted by the State Governments, the Department of Rural Development in the Ministry of Agriculture has been undertaking monthly Concurrent Evaluation of National Rural Employment Programme (NREP) since November, 1987. The major findings of the evaluation studies of NREP are given below :—

(i) About 97% of the works taken up under NREP reflect the felt a need of community. These felt needs have mostly been identified by Gram Sabha or Gram Panchayat (about 54% cases) followed by 21% by Panchayat Samiti and about 17% cases by officials and M.Ps/MLAs.

(ii) On an average. 91% of mandays of employment per work is by unskilled workers and 9% by the skilled workers. The contribution of local workers has been about 95% per work.
